

Great Valley School District Elementary Schools 2007-2008 Supplies List

Dear Parents,

The following tables list the school supplies that students will need for the 2007-2008 school year. Parents are asked to please ensure that their student brings to school all of the materials designated under the appropriate grade level. Brand names are suggested, but are not required.

Parents may shop at any location they choose for their child's school supplies. However, the Office Depot in Exton is assembling grade-level kits for students in the Great Valley School District. Simply go to the Exton Office Depot, mention your child's school and grade, and a complete kit of all the items listed for your child's grade will be available. If you mention the name or ID number of your child's school, Office Depot will also donate 5% of your total purchase back to that school to purchase school supplies! See the back of this flyer for more information about Office Depot's "5% Back to Schools" program.
